Mr. Troxler,

This e-mail is to follow up on your letter dated December 8, 2015. I want to make sure that I understand how NC State is interpreting and enforcing REG 07.25.12 so that I can accurately advise my client. According to NC State's interpretation and enforcement of REG 07.25.12, does NC State require a student to obtain a permit from the Student Involvement Office any time a student desires to hand out a written solicitation to another student or students?

Thanks in advance for your response.
